Details of Our Warranty

We offer to you, as the original purchaser, a warranty for the cover and foam of our Bodyzone Mattress. Our warranty applies for the warranty period stated below. If any product or product part listed below is defective in material or workmanship during the applicable warranty period, we will repair or replace it at our cost. Please note that the decision to repair or replace a product or product part will be at our discretion.

Our warranty applies only if the product is properly maintained by the original purchaser for normal, indoor use and does not cover normal wear and tear, modification of the product, or damage caused by abuse, improper use, failure to maintain, use which exceeds the published product limitations, or the combination of any product with another product. In addition, our warranty does not cover fading, fabric, texture, colorfastness, stains, spills, or exposure to chemicals, odors, heat or light. Please note that a decrease in the height or firmness is not eligible for a warranty claim.

In certain cases, we may provide you repair or adjustment instructions and/or replacement parts, and ask you to perform a repair or adjustment or replace a defective part. Our warranty gives you specific legal rights, and you may also have other rights, which vary, from state to state. We reserve the right to dispose of any product that is returned, but does not meet the warranty eligibility, unless otherwise informed by the original purchaser. If requested, the non-conforming product will be returned to the customer at their expense.
